

Miniatour

About Us

Miniatour industrial and commercial group has been involved predominantly in wooden products fabrication for more than three decades. Miniatour's factory is located in the "Improvement of Iran Wood Industrial Park (IIWI)" in Ahmad Abad Mostoufi (in Tehran Province) with an area of about 8000 sq m. The factory boasts the most modern European machinery and currently produces various high-end wooden products mainly used in building industry. Miniatour employs approximately 130 personnel and its head office and showroom is located in Tehran, in Fereshteh Street.

ERNESTOMEDA

Founded on a commitment to design excellence, Miniatur has been the exclusive representative of Ernestomeda in Iran since beginning its collaboration in 2014. Through this long-standing partnership, we proudly introduce one of Italy's leading designer kitchen brands to the regional market, known for combining advanced technology, refined aesthetics, and sustainable production standards. Drawing on more than a decade of experience and international project involvement, Miniatur provides comprehensive services from concept development to project execution, supporting residential, contract, and hospitality developments both domestically and abroad. Our portfolio reflects a dedication to quality, innovation, and tailored design, ensuring each project delivers exceptional functionality, craftsmanship, and timeless elegance.

RIMADESIO

Since 2016, Miniatur has proudly partnered with Rimadesio, bringing the brand's refined vision of spatial elegance to the Iranian market and beyond. Celebrated for its mastery of glass, aluminum, and architectural systems, Rimadesio represents the harmony of innovation, minimalism, and precision craftsmanship. Through this collaboration, Miniatur curates and delivers bespoke interior solutions — from sliding partitions and walk-in wardrobes to complete spatial concepts — tailored to sophisticated residential and contract environments. United by a shared dedication to design excellence and material perfection, the partnership enables us to create interiors that express clarity, balance, and contemporary luxury.
